Attention: AF/CVAH

Dear Mr. Trest:

We have reviewed your draft manuscript entitled The U.S. Air Force in Southeast Asia: The Advisory Years, 1950-1965. A list of deletions which must be made prior to release is attached. Pages of the manuscript where deletions are recommended have been paper clipped, and the deletions have been highlighted with yellow marker.

Please note that we have not deleted footnotes which might pertain to deleted portions of the material. You may wish to review these to determine whether, or not, they remain pertinent.

Sincerely,

Chief, Classification Review Division
Office of Information Services
Directorate of Administration
